HOLIDAY WINDOW DISPLAYS

This holiday season, we are creating new traditions along The Magnificent Mile that showcase the best of our city. We have welcomed South and West side neighbors to program window displays that showcase their communities.

We know you are missing iconic events in Chicago this year, so we also invited cultural partners to decorate displays with artisan merchandise, artwork, flowers, and more. Be sure to walk North Michigan Avenue from the Chicago River to Oak Street and tag photos of your favorite displays with #BMOLightsFest!
